President's Message

Hello Chamber Members,

Well I think spring may be actually starting soon. It has been a long cold winter but there is no place better to be than Wisconsin in the summer. Good time to clean out those old files and do a little office spring cleaning.

We had another well attended meeting in March. Superintendent of Schools reports were given by Dr. Rita Olson (South Milwaukee) and Dr. Jim Heiden (Cudahy). We also had a Mayor's report given by Cory Ann St. Marie Carls (St. Francis).

Two of our speakers had emergencies during our meeting, Mayor Hohenfeldt had a fire at Ladish and Keith Olson who was our business card drawing speaker also received an emergency call. They will both speak (hopefully) at our next meeting this Wednesday April 9th at the "K" Ranch at noon.

We had a very interesting speaker when Dr. Christine Hill gave a presentation on conflict resolution in the workplace. It was interactive and a lot of fun. This month our speaker will be County Executive Chris Abele. We hope to have great attendance for his presentation.

As many of you know we are in search of a new office. I want to thank Brian Lorentzen and the office finding committee for pounding the pavement to find a suitable location. They have come up with some great ideas. We are in negotiations now with an exciting location and hopefully it will work out. I

will let everyone know when we find out.

We had our first networking event which was held at the "K" Ranch. Our own Dennis Carney from WTMJ put on a fantastic presentation and then we did some interactive marketing between the guests. It was well attended and very informative. I would again like to thank Sarah Eberhardy, Nicole Zielski and their marketing committee for putting this networking presentation together. I look forward to their next activity coming up soon.

I would like to welcome Tony back from sunny Florida. After running the office for a couple of months I have come to realize how much has to be done. As we continue to grow with such great people to work with it is an exciting time for the South Shore Chamber. We will continue to strive to give our members knowledge, marketing, and networking opportunities. I hope to see you all at the meeting this Wednesday and, if you can, bring a friend or associate. The more people we get to attend our meetings the more the word will spread about the value of being a chamber member. Thank you and see you Wednesday.
