President's Message

Hello Chamber Members,

The May meeting was at a new location for us at St. Lukes South Shore. We would like to thank vice president Nicole for making the arrangements for the venue and our main speaker. Dr. Masood Wasiullah gave an interesting talk on the future of "Population Healthcare". He explained how his study reviewed the habits of doctors to the relationship of their patients currently and how it will evolve in the future for the needs of the community and their citizens.

We would like to welcome our new member Wisconsin Women's Business Initiative Corp.

Mayors reports were given by Cory Ann St. Marie Carls (City of St. Francis), John Hohenfeldt (City of Cudahy), and Erik Brooks (City of South Milwaukee). It is so great to see our Mayors attend our meetings when they are able and keep us informed on a range of issues. Thank you Mayors. We also received a report from Dr. John Thomson of the St. Francis School Distict.

Supervisor Jursik reviewed the upcoming events for the South Shore cities. She also touched on the transit issue before the County Board of Supervisor's and how they are approaching the restructuring of current transit.

The chamber office will move into the new location at the Cudahy Historical Society Annex on Kinnickinnic Ave on Monday, June 9, 2014. Thank you to all who helped facilitate our move. We are excited and invite you to stop in to see Tony weekdays from 11:00 a.m. to 1:00 p.m.

Our event June 17th at Evolution Gastro Pong is coming up quickly. Please get ahold of us to get signed up, it is going to be a great time. You do not have to be members to attend the event, so invite a friend or make it an outing for your whole crew.

Our meeting this month is Wednesday, June 11th, 12:00 p.m. at Papa Luigi's in Cudahy. Our main speakers this month will be Dr. Ken Krimpelbein and Dr. Scott Simon from Oak Creek Relief and Wellness to talk about fitness and wellness in the workplace. Please try to attend and bring a friend or associate.

Hope to see you all at the meeting,

Jerry Kotarak President
