## President's Message

Hello Chamber Members,

It has been a very busy month for the SSCC. In fact, after watching Bryan Lorentzen's video presentation, it has been a very busy year. We want to thank Brian for capturing all the exciting things that have happened since our inception January 1st, 2014. We have a very active and growing organization that continues to evolve as we head into the future. I attribute this to our awesome board of directors and a membership that participates. Thank you all.

At our last meeting Jocelyn Borzick presented the benefits for building an All Abilities Playground, slated for Greene Park in St. Francis. It is a playground which could be used by children and adults of all abilities. This would be the first of its kind in Milwaukee County.

On Thursday September 11th we did a networking Thirsty Thursday Boat Cruise down the Milwaukee River. For those of you that attended, I do not have to tell you how much fun we had. For those of you that missed it, really try to make it next year. It makes a great office outing and was a blast!

This month we also had our first SSCC Awards Banquet and Silent Auction. I want to thank all of you that donated to our silent auction that will help fund our scholarship fund. It was very

successful and we could not have done it without all of your kind support. I want to again congratulate our award winners -Greg Schlecht (Greg's True Value & Just Ask Rental), Jenny and James Marino (Angelic Bake House), and Peter Sorce (Sorce Martial Arts). A very special thank you to our Annual Awards Committee: Kim Kozlik (Committee Chair), Dennis Carney, Joan Houlehen, Bryan Lorentzen, and Kristine Slamka. They did an awesome job putting together a very well run, successful event. Thank you, thank you, thank you!

Hope to see you all Wednesday, October 8th at St. Lukes South Shore. We will have incumbent Christine Sinicki and challenger Molly McGartland as our speakers. If you wish to ask a question of either candidate, please submit it to the Chamber Office before the event. Remember our chamber is not political in nature but we do want to keep informed and get to know our representatives, as what they do can affect our businesses and community.

See you Wednesday,  
Jerry Kotarak  
President, SSCC
