President's Message

Hello Fellow Chamber Members!

I would like to extend a warm thank you to our guest speaker, Allison Dorsynski from Accelerated Rehab of South Milwaukee. Allison presented on prevention and management of injured workers at our March membership meeting held on March 11th at The Polonez Restaurant in St. Francis.

Our first networking event of the year is coming up on Friday, April 24th. We are co-sponsoring the 13th Annual Night at Miller Park along with St. Francis Civic Association as the Milwaukee Brewers face the St. Louis Cardinals. First pitch is at 7:10 p.m. The cost of tickets for this special event is only \$17 for Loge Outfield Box Seats (regularly priced at \$34). There is an optional tailgate with live music performed by our very own Jerry Kotarak! The tailgate price is \$11 per person and starts at 5:00 p.m. To sign up fill out the attached form and return to Greg at Greg's True Value located at 3050 E. Layton Avenue in the Layton Mart Shopping Center by Tuesday, April 14th.

Also, just a reminder that the Cudahy Health Department is asking for support from all the South Shore businesses to help promote Autism Awareness Month throughout the month of April. Please see the attached information regarding their "Light It Up Blue" campaign and upcoming event featuring LeRoy Butler on Monday, April 27th!

On Tuesday, March 24th we held our first educational session in partnership with WWBIC. This past topic was all about

developing content for your website and leads into the next two educational sessions that will focus on content strategies and use of social media platforms for small businesses. Our next session, scheduled on June 25th from 5:00 p.m. to 6:00 p.m. at the Cudahy Family Library is free and will focus specifically on Facebook for Small Businesses.

Our next membership meeting will be held at Joe's K Ranch in Cudahy this Wednesday, April 8th from noon to 1:00 p.m. Please arrive approximately 15 minutes early to network prior to the start of the meeting. As mentioned in a previous email communication we are very fortunate to have Terrence (Terry) G. Slaybaugh, Airport Director for Milwaukee County's General Mitchell International Airport, as our featured speaker at this month's meeting. Big thanks to County Supervisor Pat Jursik for making the connection with him and our group! Mr. Slaybaugh shared with me that the 8th is a big day for Mitchell Airport as one of the airlines is announcing new schedules!

Remember to stay connected with the chamber throughout each month – log on to our website at sccwi.com, like us on Facebook, and follow us on Twitter!

Sincerely,
Nicole Zielski

Shine a Light on Autism

Cudahy & the South Shore Shining a Light on Autism Awareness and Child Development

Cudahy and South Shore Businesses Please consider supporting the Light It Up Blue Campaign During the Month of April.

One in 68 children are diagnosed with an Autism Spectrum disorder.
Early identification with early intervention produces the best outcome for these children.
We need your support to Light It Up Blue and put the South Shore on the map!

Autism Speaks celebrates Light it Up Blue the month of April in commemoration of the United Nations-sanctioned World Autism Awareness Day on April 2nd. Iconic landmarks throughout the world are lit blue to raise autism awareness as well as homes and businesses in local communities. The Cudahy Health Department is working with local partners to Light it up Blue. Cudahy City Hall, Library, and water utility, St Luke's South Shore Hospital, Oak Creek City Hall, the US Bank Building, and the Mitchell Park Domes are already committed with more in to follow. Will you join us?
