President's Message

Hello Fellow Chamber Members!

Wow! September seemed to fly by – especially with all of the activities that took place. September saw not only the start of school but also all three high schools held their homecoming games and dances on the same weekend! City Lounge had their Oktoberfest which included a beer stein holding competition (the record was 4 minutes and 39 seconds for those interested in practicing for next year) and Downtown South Milwaukee had their 2nd Food Truck Festival which featured 10 food trucks!

Congratulations to the Cudahy Historical Society who celebrated the Depot's recognition and listing on the State and National Registry of Historic Places – the first building in Cudahy to be awarded this honor!

Also, I'd like to extend a big thank you to Mayor CoryAnn St. Marie Carls for inviting the Chamber to participate in the City of St. Francis and St. Francis Civic Associations Business of the Year Dinner, where Superior Equipment and Supply were honored. It was a pleasure to partake in the evening.

As we start to wind down the year, I'd like to call attention to our upcoming events.

- Our upcoming October membership meeting: on Wednesday, October 14th will feature Colonel Daniel S. Yenchesky, commander of the 128th Air Refueling Wing as our
