## President's Message

Greetings and Happy New Year 2016! I hope this year is successful and prosperous for each and every one of you.

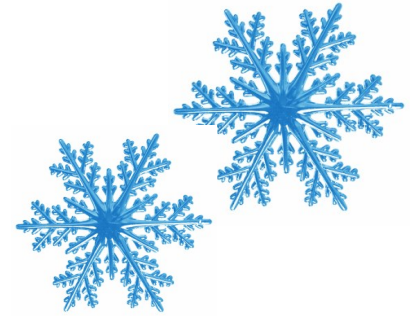

I would first like to thank Nicole, and Jerry prior, for having served as President. They leave me with an active board and a great membership. I look forward to serving you as President and hope to meet expectations.

Our January meeting will be held at **Papa Luigi's in Cudahy** on **Wednesday, January 13<sup>th</sup>**. While the meeting does start at noon, I do ask that you arrive early so as to network and make a plate for lunch. I have invited our elected leaders and educational leaders for extended discussions on what lies ahead for 2016. This is a great opportunity to have a glimpse at what to expect.

Again, I am humbled to be your President and look forward to working with all of you throughout 2016.

I hope to see many of you there next week to start the SSCC 2016 year!

*Brian E. Williams*
