President's Message

Dear Members-

Spring has sprung! Now let's get to summer. May is an exciting month as we have a few classes from our partners at WWBIC for the newer businesses looking to expand. Keep an eye out for the posts on Facebook and Twitter for those who can benefit. A great session at no cost.

We welcome Izzy Bonilla, Airport Director for Mitchell Field, to our May meeting. Surely to be a good presentation, I have no doubt.

As we enter the nicer weather (someday, I hope), please remember your local businesses. They contribute so much to the local community and organizations, but they need your help to do it.

Lastly, I encourage your activity and participation in the South Shore Chamber. I honestly believe you will find even more value with networking. As Reid Hoffman said, "One of the challenges in networking is everybody thinks it's making cold calls to strangers. Actually, it's the people who already have strong trust relationships with you, who know you're dedicated, smart, a team player, who can help you."

Brian E. Williams
