President's Message

Welcome to August!

I hope the Cudahy and South Milwaukee Lions had successful events at the end of July, and I wish the same for St Francis Civic Association on Labor Day Weekend. And I hope all of you have been able to enjoy the summer so far, now that Back to School specials remind us that summer's end is drawing near.

Join us at Polonez this month and enjoy a presentation from member Michael Pierce, representing Thee Harbors Council of Boy Scouts of America. Many of our past, present and future community and business leaders have footprints in scouting; an environment where each future young adult is taught the skills necessary to be autonomous and within groups; to become trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent. I sincerely hope you will be able to attend to hear what has changed since your days in the troop, as well as what has stayed the same.

Watch your mailbox for the Awards Dinner and Silent Auction coming in September! Remember, the silent auction funds our scholarships, so donations are very welcome – as well as your attendance and bidding.

I will see you all next week and may you continue to have a safe, prosperous and blessed summer!

Brian E. Williams
