Monthly Newsletter of the South Shore Chamber of Commerce

President's Message

Greetings, Chamber Members!

I hope everyone had a wonderful, enjoyable and safe Independence Day Holiday. Join us this Wednesday at Papa Luigi's in Cudahy for the July meeting. Our guest speaker will be South Milwaukee Mayor Erik Brooks to discuss what South Milwaukee has done to spur success in its downtown area and engage the community. A lot has happened and I'm sure he will give an excellent discussion.

There is a little lull in the calendar, but watch for the return of the Thirsty Thursday Boat Cruise where you never know what kind of networking will develop as a result. Then in September, our annual awards banquet and scholarship silent auction. If you ever want to become more involved with the Chamber, please do not hesitate to contact us! We are always welcoming new ideas to the board and committees and encourage your participation.

Summer has certainly arrived and there are many things to do between Summerfest, parish festivals, community events, yard work and backyard parties – please, don't lose sight of your local businesses. They need you as much as we need them – always will.

Hope to see all of you on Wednesday, July 13 for the next meeting!

Brian E. Williams
