**Keller, Inc. to Build for Angelic Bakehouse**

**Cudahy, WI -- KELLER, Planners, Architects, Builders**, a Design/Build General Contractor, will build a large freezer, office and product expansion for **Angelic Bakehouse** under the direction of Keller Project Manager, Nathan Laurent and Architect, Tony Tislau.

Keller, Inc. is 100 percent employee owned and has offices in Milwaukee, Madison, Wausau and the Fox Cities. They are leaders in the industry specializing in new construction, remodel, retrofit, and reroof projects. They have the staff and expertise to take projects from the early phases of design through the construction process to ensure that the project is completed on time and within budget.

Located at 3275 East Layton Avenue in Cudahy, construction will begin this month and is expected to be completed in June, 2018.
